Amendment of USP Class VI Designation Certificate  
(Reference SRP-005)

Regarding Test Nos.: T04-2417, 2418, 2419      Amendment # 1

The following correction has been made to the above mentioned document:

Amendment 1: The USP-National Formulary editions (USP 27 – NF 22) and general chapter (<88>) has been added to the USP Class Plastics Designation Certificate originally issued by Tonia Schaubroeck on July 14, 2004.

Reason:      The USP edition and general chapter governing USP Class Plastics Designation testing were not referenced on the original certificate. This information was added to the document for clarification purposes.
